JOHN HALLAM (saxophones & clarinet) is an outstanding, highly acclaimed musician, who is equally at ease with many styles of music on a number of reed instruments. His playing is innovative and thrilling as well as sensitively moving.

JAMIE BROWNFIELD is an award winning young Trumpet star on the Jazz Scene. He plays with great skill and imagination beyond his years, which has made him first call for various ensembles both here and abroad.

DEAN STOCKDALE has developed a swinging Piano style with influences of Oscar Peterson, Bill Evans and Gene Harris. He works mainly with his own Trio, performing at Jazz Clubs and Festivals all over the Country. We are fortunate to grab him during his busy schedule. He will be joining John along with the fine Bass playing of ED HARRISON and the swinging Drums of ERYL ROBERTS.
